Dear George,

Here is the 'final' programme and other information for you. Please ring if you have any queries, otherwise I'll see you at the Fringe Club.

I haven't said anything about money. Visa + Mastercard (Access) should be OK for petrol and the more expensive touristy things, but not usually for food in shops, or pubs or cheap things, souvenirs etc. Travellers' cheques should be in sterling if possible, but even so, it is difficult to spend them in shops etc. It is usual to change them into notes (bills) at banks. If you are using banks, of course, dollar cheques are not a problem. Travellers' cheques are definitely not as good as cash - very different from the USA. Make sure people know this.

I had a phone call from Richard Coe tonight. He intends to spend his fortnight's holiday following you around. I'm going to have some difficulty finding him somewhere to stay.

I've sent a small deposit to the Kingshouse to confirm your booking. This is definite + it would be embarrassing if you have to change it.

Please ask Herb to ring me at home ()
or at work () from London. I'll
give him separate directions then

Best wishes

John
